

## COMPANY PROFILE

Our team started Rope Access Cleaning Services in Al Raha International Integrated Facilities Management LLC (ARIIFM) year 2012. It's a Joint Venture Facility Management company located in YAS Island. Most of our projects are Gate Tower, Sun and Sky Tower in Reem Island, ADMM Yas Marina, etc.

In year 2018, ARIIFM owners decided to close the company, by that time Mr. Md. Akkas Ali is already IRATA Level-3 Certified Rope Access technician, because of his passion and dedication in his job and concern with their team he decided to start new company and find a new partner and that's how Najoom Alraha started. Mr. Md. Ali Akkas did his best to find a partner and get a Trade License to start the company. Najoom Alraha Building Cleaning Services LLC. successfully started and the projects are keep on coming.

***Najoom Alraha Building Cleaning Services LLC*** offer Professional Rope Access Cleaning Results – both indoors and outdoors. We complete cleaning assignments using a Rope Access System which is a flexible, efficient and climate-friendly way of manoeuvring around on and inside a building. We clean Glass, Façade, Windows, Cladding, Walls, Sheets, Roof, Floor, Swimming Pool and Signage from ground floor using Rope Access. Our team are consists of Professional and Industrial Rope Access Trade Association (IRATA) Certified Rope Access Specialist.

We don't compromise in quality without considering the price. We don't give chance to receive a complaint from client. Our staff is professional and understands the proper way of cleaning or washing buildings and villas. We do our best to satisfy our clients to the fullest and can repeat the whole building if client complain. We offer one time, weekly, monthly or annual cleaning contract as per our client requirements.
